

CORBIN OLSON

Corbin Olson | Salt Lake City, UT | 801-718-4047 | corbinjolson@gmail.com | corbinjolson.github.io

Summary

Creative, user-centered UI/UX and product designer with 10+ years designing web and digital products. Skilled at user research, interaction design, prototyping, usability testing, and design systems. Proven track record collaborating cross-functionally (product, engineering, PM, marketing) to deliver responsive web and product experiences that improve engagement and conversion.

Experience

ExpertVoice

Sr. UX Designer/Developer — July 2021 – July 2025

Interactive Web Designer — July 2018 – July 2021

- Lead product and UI design for consumer and partner-facing web experiences; owned interaction design, high-fidelity mockups, pixel-perfect UI, and front-end implementation using HTML/CSS/JavaScript.
- Drove UX research and usability testing to validate concepts, iterate designs, and improve engagement.
- Designed system components and prototypes in Figma, improving design consistency and development handoff.
- Collaborated cross-functionally with copywriters, project managers, and developers to deliver responsive marketing microsites and interactive assets focused on product and brand education and recognition.
- Mentored junior designers and contributed to design reviews, standards, and pattern library updates.

Bluroof360

Principal Web Designer — May 2015 – July 2018

- Lead UI and web design production from concept through front-end implementation for client websites and marketing campaigns.
- Managed project timelines, coordinated with stakeholders, and ensured consistent visual identity across projects.
- Improved client engagement through iterative UX improvements, prototyping, and A/B testing recommendations.
- Delivered HTML/CSS templates and collaborated on JavaScript enhancements to improve interactivity and responsiveness.
